

GROW Curriculum Map 2021-22 Year 1

Our Curriculum encourages us to continue to grow by...

Year 1 is a very exciting year. The teachers who have the pleasure of seeing the Year 1 children grow and prosper are Mrs Mercer, supported by Teaching Assistant Mrs Kilroy. The children will have many opportunities to learn through a play based approach. As the year goes on we aim to nurture their increasing independence, resilience and love of learning. Learning expectations are very high as we want all the children to reach their full potential. In year 1 we look forward to seeing the children grow in confidence and show increased levels of determination to be the best we can possibly be by following our school SMART pact and demonstrating positive learning behaviours. Below is the year 1 curriculum map for the year.
