## Year 2

Welcome to Year 2! This year your child's teachers will be Miss Lapworth and Mrs Harrison with the support of Mrs Rimmer, Mrs Thompson and Mrs Dicker. As your child is reaching the end of KS1, we will be working to promote their independence in learning and academic skills to prepare them for KS2 next year. We will be working hard to improve handwriting skills within all other areas of the curriculum. This will enhance their love of reading and writing as they grow in confidence. We will continue to encourage the children to demonstrate the positive learning behaviours as set out in our school SMART pact. Their themes for learning are as follows. Please feel free to speak to our team if you have any questions.

Our Curriculum encourages us to continue to grow by...

**G** Global awareness

**R** Reading widely

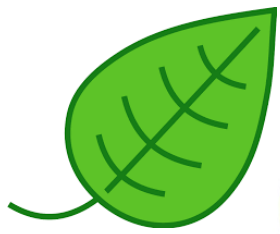

**O** Opportunities

to explore

**W** Wonder and

curiosity.
